WHAT THE WORLD  
REALLY THINKS  
ABOUT US

THE SATISFYER EFFECT

"Satisfyer, the kings of air pulse technology, report up to 300% more sales in 2020 with the launch of a remote control app"

**VOGUE** (01/21)

"In the world of sex toys, this design is pretty revolutionary. It sits within a whole new realm of toy which uses pulsing sonar vibrations to offer heightened pleasure which replicates the feeling of oral sex"

**GLAMOUR** (01/21)

"Satisfyer cock rings are widely regarded as some of the best when it comes to giving you more bang (literally) for your buck. It's made from high-quality silicone which feels soft on the skin and offers up some seriously intense vibrations"

**GLAMOUR** (02/21)

"This bestselling clit vibrator uses suction to get you your most earth-shattering O yet"

**REFINERY29** (03/21)

"A Satisfyer Multifun 3 that delivers joint climaxes in more than 33 ways. This versatile, waterproof vibe enhances both individual and joint pleasure thanks to

three motors and a moveable head that can be rotated 180 degrees. It's great for clit, G-spot, and anal stimulation, and can also be applied to the base of the penis."

**BuzzFeed** (03/21)

"Clitoral suction devices such as the Satisfyer have caused a real boom and revolutionized women's sex lives"

**marie claire** (04/21)

"A sweet treat indeed. This ice cream-shaped vibrator uses rotating top nibs that are designed to swivel at 10 different speeds and vibrations to bring you to a climax."

**Health** (05/21)

"Because of the built-in battery, we take our COSMO favorite, the Satisfyer Love Triangle, with us in our hand luggage. The clitoral aspirator is made very classy, fits well in the hand, has decent power and comes with a cap to protect the silicone attachment. Très chic!"

**COSMOPOLITAN** (05/21)

"Today, we celebrate Love!"  
**VOGUE** (05/21)

"IFA 2020: These products deserve our „HOTTEST Tech“- Award, Satisfyer Connect App"

**techradar.** (11/20)

"Now a wellness tech brand has launched a new sex toy that connects to your alarm clock and, wakes you up with a buzz,"

**DAILY Mirror** (10/20)

"When I first tried the Satisfyer Pro 2, I was able to have three orgasms in one night (though not one session). Obviously, I wanted to know more."

**GLAMOUR** (10/20)

"The cult-favorite air-pulse stimulator that's well on its way to becoming the next Magic Wand as a legendary must-have."

**Reviewed** (10/20)

"Satisfyer is the perfect companion that countless women swear take them right to heaven."

**ESSENCE** (02/20)

"Led to most powerful orgasm ever – some users even said it included \*actual\* screaming."

**Health** (01/20)

"This little gem-shaped vibrator works hard, using Satisfyer's insane suction technology for an avalanche of orgasms."

**marie claire** (01/20)

"The Satisfyer is one of the most revolutionary toys on the market. This miraculous vibe combines all the benefits of oral sex with deep g-spot stimulation."

**REFINERY29** (11/20)

"Satisfyer will meet all your expectations! Its innovative and revolutionary technology enables multiple and unforgettable orgasms."

**aufeminin** (01/20)

"I swear it's life-changing, Satisfyer made me orgasm EIGHT TIMES in 45 MINUTES. I felt boneless afterwards. I couldn't move. I have never had such intense sexual pleasure in my life. I felt like a sex goddess."

**BUSTLE** (01/20)

"Ladies, if nothing else, get this toy! For a long-time I thought my clit was broken... I was wrong. After using this for about 5 minutes on different settings, I had my first orgasm."

**Health** (01/20)

"I have always had an incredibly difficult time reaching completion. I swear to all that is holy I finished two, TWO, back to back O's in under 20 minutes. Which for me is a GD miracle. I know it's changed my life in one night and saved my marriage from the slow death of intimacy."

**Health** (01/20)

"If you're looking to dip a toe into the world of sex toys and feel more comfortable purchasing something that could easily fit right into your jewelry box, best-selling Satisfyer Pro 2 comes in a feminine rose gold color."

**Forbes** (01/19)

"This vibrator has given me approximately 1,000 orgasms."

**BuzzFeed** (06/19)

"This toy is considered the best beginner's suction toy and always has been for the years its been out."

**COSMOPOLITAN** (10/19)

"The sex toy taking the world by storm, with anecdotes of orgasms so powerful women are almost worried for their safety."

**Newshub.** (11/19)

"I find the Satisfyer great to use during intercourse because I can't usually come that way without a toy. It's also probably great for those who have trouble climaxing in general."

**GLAMOUR** (05/19)

"Mind Blowing Satisfaction."

**INNERCIRCLE**

Satisfyer feels like a bunch of people licking you and practically carrying you to orgasm."

**COSMOPOLITAN** (12/19)

"It's actually a super-powerful clitoral suction vibrator that just happens to look cute AF. The latest addition to the wallet-friendly Satisfyer line, the Penguin works by creating a vacuum seal over your clitoris and using suction to create 'touchless massage'."

**COSMOPOLITAN** (10/19)

"This handy-dandy clitoral stimulator folds up perfectly if you're traveling home for the holidays.

It barely looks like a sex toy, too, so you can rest assured that your mom won't know what's up in case she feels like Being a Mom and putting your laundry away in your suitcase or something."

**COSMOPOLITAN** (11/19)

"...it sucks on your clit like a real mouth, so it's perfect for anyone who can't get enough of the sensation of oral sex."

**BUSTLE** (10/19)

"This extra-powerful sex toy is almost too good – and it's on sale."

**GLAMOUR** (03/19)

"Satisfyer never lets you down. It's designed to stimulate the clitoris, with incremental speed settings that guarantee you have total control over the evening's finale."

**elite daily** (04/19)

"Best, Touch-Less-Vibrator – this vibrator is a hero."

**marie claire** (06/19)

"The first time I used the device, I was speechless. It was one of the most intense orgasms I had ever had in my life. I tried it again the next morning. And the same thing happened."

**BuzzFeed** (06/19)

"Earned its spot as a top fan favorite in the oral sex toy department."

**WomensHealth** (05/19)

"It's almost too good."

**GLAMOUR** (09/19)

"I've always wondered whether multiple orgasms were a myth. But when I first tried the Satisfyer Pro 2, I was able to have three orgasms in one night."

**GLAMOUR** (03/2019)

"The sex toy made me squirt, and not only was I reminded of my magical powers, but holy moly, it turns out I'm a squirter."

**allure** (06/19)

"In our Cosmo Lab of Sexcellence, the Satisfyer Pro 2 ranked highly among all testers for best oral sex simulator."

**COSMOPOLITAN** (05/19)

"For a small vibrator, this thing has a LOT of power."

**betches** (10/19)

"Gender-neutral sex toy that anyone can play with."

**REFINERY29** (10/19)

"Think you've tried it all when it comes to vibes? Well, if you haven't taken the Satisfyer Pro 2 for a spin, then prepare to have your mind blown. Instead of simply using vibrations to stimulate the clitoris, this vibe uses pressure and air-pulse stimulation."

**elite daily** (05/19)
